Cochrane Response

What can we do for Guideline Developers & Policy Makers?

You need access to relevant research & useful evidence to support policy and clinical decision-making.
FOUNDATION & PLANNING

We work closely with you to define the protocol, understanding the review's purpose, policy context, and audience.

QUALITY & METHODS

We ensure access to Cochrane's networks and methodology expertise. We deliver everything in line with Cochrane brand values and quality standards.

You need access to high quality, reliable and independent research evidence that you can trust.

You need access to timely evidence services that support a range of commissioning decisions.

We work to your timelines, balancing your need for high quality, cost effective and timely evidence services.

We provide review formats tailored to your needs: Rapid Reviews, Targeted Updates, Plain Language Summaries, other knowledge translation services and dissemination support.

RESPONSIVE SERVICE

FLEXIBLE OUTPUTS

You need access to user-friendly and actionable evidence reports.
